

TOP GENERATION CLUB

4373 Generation Court, Ottawa (Ramsayville), ON K0A 2Y0

topgenerationclub@gmail.com

We are a group of 55+ seniors who, until March 2020, would get together most Tuesdays from September to June for lunch, friendship, and entertainment at their clubhouse—a former one-room school off Ramsayville Road and within Ottawa's boundaries. This club operates in English.

COLLECTING FOR CAUSES

Whether you call it recycling or reusing, the Top Generation Club continues to support reducing waste and redirecting as much as possible from landfill sites!

If you have a collection of these items and would like to help the cause, contact either of these Top Generation Club members to arrange a delivery:

- Joan Goyette, 613 822-2646
- Norah Martel, 613 445-5426

Item	How to present item	How item helps
4-litre plastic milk bags	cleaned, flattened, and folded	Bags are cut in a particular way, looped, and woven to make a colorful, soft and washable sleeping mat. Mats are transported to the Canadian Food for Children (CFFC) in Mississauga, ON, shipped to Halifax, NS and then to various countries.
drink can tabs	in an envelope, bag or container	Fundraiser operated by students with special needs attending Clifford Bowey School, Walkley & Bank streets, Ottawa <i>The tabs are sold by the pound and the funds benefit all their students.</i>
eyeglasses	must be in useable condition	Forwarded to the Medical Ministry International, Canada and are taken to developing countries by optometrists, nurses, ophthalmologists, and team members providing health care services including vision care.

used postage stamps	in an envelope, bag or container	Priests sell the stamps, match the funds, and forward the money to the Canadian Food for Children in Mississauga, ON. The CFFC ships food to developing countries. <i>One used postage stamp feeds one hungry child for one day.</i>
plastic bread bag and milk bag tabs	in an envelope, bag or container	An organization collects them to raise funds for wheelchairs in South Africa, is one way that the tabs are used.
men's toiletries, clothing twin bed size linens school supplies	clean and presented in a bag	Used clothing, toiletries (especially trial/sample sizes), and linens are assigned to residents upon arrival at Harvest House Ministries as most arrive with only the clothes they are wearing. As residents transition school supplies are needed for their continuing education, and household linens and supplies are necessary to make the move to nearby homes.
prescription pill bottles	cleaned with label and residue removed	donated to a disaster relief organization to use as medical supplies
mascara wands, wand part only	placed in used envelop	donated to Appalachian Wildlife Refuge to use as brushes on tiny animals
cardboard and plastic egg cartons	stacked	donated to food banks & local farmers – Ottawa
broken or single use crayons, lip balm, and glue stick tubes	bagged like items together in separate bags	melted and crafted into new crayons for a local charity
plastic drink pouches	bagged like items together in separate bags	donated to "Eco West Enders" of Stittsville – Ottawa
empty snack bags	THESE BRANDS ONLY: Boom Chicka Pop, Terra Chips, Sensible Portions folded and in a bag	donated to A. Lorne Cassidy Elementary fundraising initiative
